KITCHEN & BATHROOM SURFACES

A genuine "authentic" life starts in our home, which is a reflection of our own personality and experience. The human dimension is what turns our house into our home. It is the result of our actions, our decisions and our experiences.

THE ORIGINAL

THE ORIGINAL

Silestone® Authentic Life

Each element that surrounds us contributes to build our reality. That's the authentic existence, the existence that defines who you are. Silestone® lets you express character and emotion through your kitchen and bathroom.

The only worktop with bacteriostatic protection, and available in varied and exclusive textures.

Live the authentic life.
Live your life with Silestone®.

A product designed by **COSENTINO**

*"I love architecture and fashion,
but the authentic things are in the houses
we live in, in the clothes real people wear.
That's what I tell people on my blog.
That is Authentic life."*

SUEDE

Silestone® Reinvents The Touch of your Worktop with Suede

The new extra matt finish of Silestone® enhances worksurfaces thanks to its soft velvety texture which is both pleasing to the eye, and hand. Suede is a new Silestone® sensation that offers something for all our senses due to its revolutionary texture, never before seen in quartz surfaces. The new Suede finish is launched to provide intense colour and high performance against stains and marks. Additionally, its exclusive treatment offers the highest technological performance.

Suede is launched in more than 40 Silestone® colours.

NEW

nebulaCODE

Nebula Code are 5 new Silestone colours that feature unique patterns, harmonies and movements. Each vein is different. Each slab is different.

The Nebula Code series represents the beauty of irregularity, the randomness of nature applied to a product manufactured with the guarantee of Silestone in terms of hardness, resistance to impact, and scratching, bacteriostatic protection and extremely low absorption.

Integrity

The Silestone® Sinks. Integration without joints.

A solution for those who want the best from their kitchen, the Integrity Sink combines all the advantages of Silestone® in a new and revolutionary product. It completes the cycle of perfection that the kitchen needs and it harmonizes every aspect.

Thanks to the 'one piece only' effect, the uniformity is obvious. Worktop and sink are joined in design and they are perfectly combined in order to prevent any disjointed areas.

And now, also available: **Integrity Due!**

**In one
Piece***

ONE is the model that defines the concept of **Integrity**. A single sink, in one piece, measuring 41 x 51 x 15,5 cm., ONE is 1, with its curved outline, the perfect choice for lovers of fluid design and originality.

* Only Available in Blanco Zeus

**Straight
Lines***

DUE is available in two sizes: 37x34x15.5, ideal for a double sink and 37x51x15.5 for a single sink, it is characterised by its straight lines.

The perfect choice for those who see the simplicity of straight lines as the mark of style and beauty.

Advantages of Silestone®

Silestone® is a natural quartz surface developed and created to decorate today's kitchens and bathrooms in a range of attractive quartz colours, extraordinary quartz textures, and top-quality performance. It is the only one with a bacteriostatic protection for worktops that guarantees maximum hygiene on its surfaces.

Resistant to stains

Silestone® is a quartz surface that is highly resistant to staining from coffee, wine, lemon juice, olive oil, vinegar, make-up and many other everyday products.

Resistant to knocks

The high level of resistance of Silestone® quartz worktops to knocks, far surpasses that of other products with similar applications (granite, solid surfaces, etc). This resistance and durability provides peace of mind in the kitchen.

Resistant to acid

The high level of resistance of Silestone® quartz worktops to knocks, far surpasses that of other products with similar applications (granite, solid surfaces, etc). This resistance and durability provides peace of mind in the kitchen.

Resistant to scratching

Quartz has a hardness of 7 in the Mohs hardness scale (diamond is number 10). Therefore, whereas with the majority of other worktops, such as those made of granite or laminate, which

can get scratched, with Silestone® no mark is left. Silestone® is highly resistant but should not be treated with reckless force, care needs to be taken with knife blades.

The Secure Brand

The unique brand that gives you a certified warranty.

Only the world's leading quartz surface manufacturer, one who offers unique anti-bacterial protection as standard, could exceed itself once again by providing a fifteen year warranty for all Silestone® quartz surfaces. Demand a genuine Silestone® worktop. Reject all imitations.

* 15 Year warranty available through gold and silver fabricators only. A standard 10 year warranty through a non approved fabricator. See www.silestone.com/Oceania for terms & conditions.

Certifications

Silestone® is internationally certified to guarantee maximum hygiene and environmental protection.

Greenguard

This certification assures the low emissions of chemical compounds to the air.

NSF

This certification assures the security of the product in hygienic terms.

LGA

It assures the efficiency of the use of water systems and the control of environmental risks.

The Re-Evolution of Silestone®

Silestone Premium + More Than a Symbol.

Above all, Silestone® means capability, initiative, consistency, responsibility, development, experience... it is all this and much more.

It is a set of advantages that have made Silestone® a progressive brand, adapting the latest technologies in every way and for everyone.

It is a journey towards the future that we began many years ago, and which has made us an icon in constant re-evolution.

Colours & Textures

With more than 60 colours and three textures to combine: polished, matt or rough – the possibilities are endless. From the most modern designs to the most traditional, any idea can be brought to life.

Variety

Our team of expert "quartz hunters" travel the world to find and choose different quartz varieties for the constant development of new lines to match the latest in interior design trends.

Guarantees

Cosentino® offers customers a 15-year warranty for Silestone kitchen worktops, as well as the ISO9001, ISO14001, NSF, LGA, Greenguard and Greenguard for Children & Schools certifications.

After-Sales Service

We place special emphasis on our after-sales service, as it is the most honest and effective means of providing greater added-value to our products. Our users can understand why the leader is always the first to evolve.

Brand

Everyone wants to be called Silestone® to take advantage of our efforts and market leadership. But there is only one brand, the authentic and original Silestone® by Cosentino®.

Sustainability

We are firmly committed to forging a better world through sustainable architecture and construction by providing high value products that improve energy efficiency without compromising the beauty of design.

Strength

After diamond and ruby, quartz is the hardest mineral known to man. This makes our products long-lasting and highly resistant to external aggressions.

Bacteriostatic Protection

This property ensures that bacteria do not proliferate on the entire surface including edges and grooves, providing active protection for the material in any of its applications. It is based on the use of latest generation silver.

Formats

We manufacture 3 thicknesses – 1.2cm, 2cm and 3cm – and two slab formats – 304cm x 138cm (Standard) and 325cm x 159cm (Jumbo – in limited colours). This enables us to offer larger sizes than anyone else with fewer joints.

Distribution

Reaching the entire world is becoming a reality. This is due to the huge manufacturing capacity of Cosentino® with 11 manufacturing lines and its network of Centers and distributors all over the world.

BACTERIOSTATIC PROTECTION With Silver Technology

Silestone® is the only surfaces brand that includes an active hygiene system in its composition.

Through the latest in '**silver particle' technology**, We achieve an effective protection that stops the spread of a wide range of bacteria. This way, the Silestone® kitchen and bathroom worktops provide the added value of security and piece of mind for your home.

*This product does not protect users or others against food-borne (or disease-causing) bacteria. Always clean this product thoroughly after each use.
