

DuPont™ StoneTech® Professional Mold & Mildew Stain Remover

For Natural Stone

DuPont™ Mold & Mildew Stain Remover is available in 24 oz spray containers.

This innovative DuPont™ Mold & Mildew Stain Remover is specially formulated for natural stone and is the perfect solution for removing unsightly mold and mildew stains without damaging your natural stone.

DuPont™ Mold & Mildew Stain Remover cleans away mold and mildew stains, has a fresh, clean scent, and will not harm natural stone. It may also be used on grout, ceramic tile and porcelain tile. Just spray the Mold & Mildew Stain Remover directly on the soiled area and clean the surface with a clean, dry cloth or stiff nylon brush. Rinse the area well with clean water and your mold and mildew stains are history.

DuPont™ Mold & Mildew Stain Remover is another example of how the stone care science experts at DuPont can help you stay on top of emerging trends and technologies. Our research and development teams are committed to delivering innovative solutions that can give you an edge in the highly competitive stone and tile market. DuPont StoneTech® Professional ingredients set the industry standard for superior performance, yet they're also fast and easy-to-use— providing the right solution to keep natural stone, grout and tile surfaces looking beautiful for a lifetime.

Benefits:

- Cleans away mold & mildew stains
- Specially formulated for natural stone
- Fresh, clean scent
- Will not degrade stone

Recommended surfaces:

Natural stone such as marble, granite, limestone, travertine, & slate. Also cleans grout, ceramic tile, porcelain tile and acid sensitive stones such as marble, limestone and travertine.
